ZACK'S EVERGREENS

for LANDSCAPE PLANTING.

We grow a good assortment of high grade Specimen Evergreens and Shrubs for the requirements of particular landscape architects and planters. All these items are three to five times transplanted, properly sheared and dug with a large B&B. Our prices for this high quality stocks are reasonable, but we make no attempt to compete with 'bargain' offerings. Please state varieties, quantities and sizes that interest you, and we will be glad to quote.
